**VANGUARD PROTEX GLOBAL UNVEILS TITAN LAPTOP**

**[Oldsmar, Florida, February 27<sup>th</sup>, 2024]** – Vanguard Protex Global, the industry-leading retail security and power solutions, has launched its retail security solution for laptop computers known as the TITAN Laptop.

The **TITAN Laptop** is made of **hardened steel**, so it can fully lockdown the laptop, while allowing for limited lift to let the customer experience the true weight of the laptop.

For more information about the TITAN Laptop, please visit <https://www.vanguardprotexglobal.com/titan-laptop/>.
